## **Child Protection Policy for Brynllwarch Hall School**

### **Introduction**

1.1 Brynllwarch Hall School fully recognises the contribution it makes to child protection.

We recognise that a child is anyone who has not yet reached their 18<sup>th</sup> birthday. "Children", therefore, means "children and young people" throughout. The fact that a child has become 16 years of age and may be living independently, does not change their status or their entitlement to services or protection under the Children Act 1989.

We believe that all children have a right to:-

- be as physically and mentally healthy as possible;
- gain the maximum benefit possible from good quality education opportunities;
- live in a safe environment and be protected from harm;
- experience emotional well-being;
- feel loved and valued, and supported by a network of reliable and affectionate relationships;
- become competent in looking after themselves and coping with everyday living;
- have a positive image of themselves and a secure sense of identity, including cultural and racial identity; and
- develop good interpersonal skills and confidence in social situations.

The main elements to our policy are:-

- a. prevention through the teaching and pastoral support offered to pupils;
- b. procedures for identifying and reporting cases, or suspected cases, of abuse. Because of our day to day contact with children school staff are well placed to observe the outward signs of abuse;
- c. provision of training for all staff, including additional training for the Designated Teacher for Child Protection; and
- d. support for pupils who may have been abused.

1.2 Our policy applies to all staff and volunteers working in the school and governors. Learning support assistants, mid-day supervisors, caretakers, secretaries as well as teachers can be the first point of disclosure for a child.

### **Prevention**

2.1 We recognise that high self-esteem, confidence, supportive friends and good lines of communication with a trusted adult help to safeguard pupils.

The school will therefore:-

- a. establish and maintain an ethos where children feel secure and are encouraged to talk, and are listened to;
- b. ensure children know that there are adults in the school whom they can approach if they are worried or in difficulty (the school's Child Protection Policy will be provided in a format which is appropriate to the age and understanding of the pupils);
- c. include in the curriculum, activities and opportunities for PSE which equip children with the skills they need to stay safe from abuse and to know to whom to turn for help; and
- d. include in the curriculum, material which will help children develop realistic attitudes to the responsibilities of adult life, particularly with regard to childcare and parenting skills.

### **Procedures**

3.1 We will follow the All Wales Child Protection Procedures 2008 that have been endorsed by the Local Safeguarding Children Board. In addition, we will adhere to the guidance included in Welsh Government Circular No: 005/2008, entitled '*Safeguarding Children in Education*', and Welsh Government Circular No: 009/2014, entitled '*Safeguarding Children in Education: Handling Allegations of Abuse against Teachers and Other Staff*'.

3.2 The school will:-

- a. ensure it has a designated senior member of staff, who has undertaken the appropriate training;
- b. recognise the role of the designated teacher and arrange support and training. The additional training received by the Designated Teacher for Child Protection includes attendance at the LSCB Annual Conference and attendance at Safeguarding/Child Protection update sessions for Designated Teachers for Child Protection, organised centrally by the Authority.

- if unsure about whether a case should be formally referred or if there are genuine concerns regarding a child's health or development, to seek advice from other appropriate professionals.

c. ensure every member of staff and every governor knows:-

- the name of the designated person and their role;

- that they have an individual responsibility for referring child protection concerns using the proper channels and within the timescales agreed with the Local Safeguarding Children Board;
  - that they need to be alert to signs of abuse;
  - what to do when they have observed abuse by other staff in the school;

The Designated Teacher for Child Protection will confirm the member of staff/volunteer's understanding of basic Child Protection information through a conversation with the individual.

### **Foundation Training**

The school will make available to all staff and governors opportunities to follow the LSCB Foundation Child Protection Training. These opportunities will either be made available on an individual school basis or as part of a cluster or regional Child Protection Training opportunity. The training will be offered at least every three years and, where members of staff and governors miss this training or are employed / join the governing body after a recent training opportunity, they will be expected to join the Child Protection training being delivered in a neighbouring school or undertake the LSCB e-learning Foundation Child Protection package.

## **Supporting the Pupil at Risk**

4.1 We recognise that children who are at risk, suffer abuse or witness violence may be deeply affected by this.

4.2 This school may be the only stable, secure and predictable element in the lives of children at risk. Nevertheless, when at school their behaviour may be challenging and defiant or they may be withdrawn.

4.3 The school will endeavour to support the pupil through:-

- a. the content of the curriculum to encourage self esteem and self motivation (see section 2 on Prevention);
- b. the school ethos which:-
  - i. promotes a positive, supportive and secure environment; and
  - ii. gives pupils a sense of being valued (see section 2 on Prevention);
- c. the school's behaviour policy is aimed at supporting vulnerable pupils in the school. All staff will agree on a consistent approach which focuses on the behaviour or the offence committed by the child but does not damage the pupil's sense of self worth. The school will endeavour to ensure that the pupil knows that some behaviour is unacceptable but s/he is valued and not to be blamed for any abuse which has occurred;
- d. liaison with other agencies who support the student such as Children's Services, Child and Adolescent Mental Health Services, the Educational Psychology Service, Behaviour Support Services and the Education Welfare Service; and
- e. keeping records and notifying Social Services as soon as there is a recurrence of a concern.

4.4 when a pupil on the Child Protection Register leaves the school, in addition to the standard transfer of information to the new school, the Designated Teacher for Child Protection will make immediate contact with the Designated Teacher for Child Protection in the new school in order to inform them that the child is on the Child Protection register and will seek urgent agreement from the Case Conference Chair for the transfer of minutes of Case Conference meetings and Core Groups, together with other relevant Child Protection information, to the new school.

Detailed information in relation to definitions of abuse and procedures to address issues of a Child Protection nature is included in the **APPENDIX** which is attached to this document.

## **Bullying**

4.5 Our policy on bullying is set out in the school's Behaviour and Discipline Policy and Anti-Bullying Policy and is reviewed annually by the governing body.

## **Physical Intervention**

4.6 Our policy on physical intervention is set out in the school's Restrictive Physical Intervention Policy and is reviewed annually by the governing body.

## **Children with Statements of Special Educational Needs**

4.7 We recognise that statistically children with behavioural difficulties and disabilities are most vulnerable to abuse. School staff who deal with children with profound and multiple disabilities, sensory impairment and or emotional and behaviour problems need to be particularly sensitive to signs of abuse.

## **Review**

This policy and the appendix will be reviewed annually and will be placed on the agenda for a discussion at a full governing body meeting at least once a year. The discussion will be minuted and will be supported by a report provided, by the designated teacher for Child Protection, on the following:-

- changes to Child Protection procedures;
- training undertaken by all staff and governors in the preceding 12 months;
- the number of incidents of a Child Protection nature which arose in the school within the preceding 12 months (without details or names);
- where and how Child Protection and Safeguarding appear in the curriculum;
- lessons learned from cases.
